A close-up photograph of a vintage typewriter keyboard. The focus is on a row of keys. From left to right, the visible keys are labeled 'B', 'C', 'R', 'S', 'T', 'STOP', 'W', and 'X'. The 'STOP' key is highlighted by a vertical yellow strip. The keys are black with white lettering. The background of the keyboard is a light green color. The image is slightly blurred, giving it a vintage feel.
